TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

(L. S.)

To the inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the tenth day of March, next, at ten o'clock in the forenoon, to vote upon the following subjects:

Article 1. To choose a Town Clerk, a Treasurer and a Highway Agent for the ensuing year and a Selectman, a Cemetery Trustee, a Library Trustee, a Trustee of Trust Funds and to elect two members of the Budget Committee for the ensuing three years.

Article 2. To choose all necessary officers for the Rye School District in accordance with the statutory procedure adopted by said District at its March 1962 annual meeting.

You are hereby further notified to adjourn to meet at the Rye Junior High School on the fourteenth day of March, next, at seven o'clock in the evening to vote upon the following subjects:

Article 3. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

Article 4. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

Article 5. To see if the Town will vote to allow five percent discount on all property taxes paid on or before October 1, 1970.

Article 6. To see if the Town will vote to authorize the Selectmen to lease Sawyer's Beach, so called, from the owners for another year.

Article 7. To see if the Town will vote to authorize the Tax Collector to appoint a Deputy Tax Collector as provided in RSA: 41:38.

Article 8. On petition of James A. Collins and 17 others: To see if the Town will vote to accept a warranty deed to Streets A, B, C, D, E, and F as identified on the Town of Rye Assessors Map, dated 1964 and other plans filed in

the Rockingham County Registry of Deeds and to raise and appropriate \$200.00 for preparing and recording such warranty deed.

Article 9. On petition of Rolean E. Taggersell and 30 others: We, the undersigned registered voters of Rye, New Hampshire, do hereby petition the Selectmen of Rye to insert an article in the town warrant to be voted upon at the town meeting in March, 1970, to see if the town will vote to request the Selectmen and the Conservation Commission to exercise the powers vested in them by Revised Statutes Annotated 36-A:4 to initiate a program of acquiring land by gift, easements or otherwise except through condemnation, to conserve and properly utilize open spaces, in particular the salt marsh areas. Easements shall not necessarily include public access, but shall give the onservation Commission all management rights upon the land subject to easement. The valuation placed on such restricted lands for purposes of real estate taxation shall take into account and be limited by the limitation on future uses of such land where the value of such easement or gift is a legal income tax deduction subject to Internal Revenue Code B. Statutes and Rulings Section 170-Charitable, etc. Constitutions and Gifts.

Article 10. On petition of Frances I. Holway and 13 others: We, the undersigned registered voters of Rye, New Hampshire, do hereby petition the Selectmen to put an article in the warrant for the town meeting to be held in March, 1970 to see if the town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) for a conservation fund which may be increased by grants, gifts or further appropriations to be used at the discretion of the Conservation Commission of Rye under the powers granted them by Charter 36A of the Revised Statues Annotated to acquire such lands and rights in land and water rights, or to defray the incidental expenses of acquiring such property, as may be necessary to conserve and properly utilize open spaces and other land and water areas within the town of Rye.

Article 11. On petition of William E. Ashley and 16 others: To see if the Town will vote to enact the following: Effective July 1, 1970, the Town of Rye shall not obligate or expend monies for legal services of any lawyer, law firm or lawyer pecuniarily associated with any lawyer or law firm which is engaged in providing legal services to the Rye School District.

Article 12. On petition of William E. Ashley and 15

others: To see if the town will vote to enact the following: Effective immediately, legal service for the Rye Budget Committee shall not be provided by any lawyer, law firm or lawyer pecuniarily associated with any lawyer or law firm engaged in providing legal services to either the Town of Rye or the Rye School District.

Article 13. On petition of William E. Ashley and 16 others: To see if the Town will vote to require the biannual publication known as "Property Valuation" to be published and made available within 30 days after the first tax bills are mailed. Future publications shall list each individual parcel of real estate shown in the Tax Warrant. Additionally, each individual parcel shall reflect the map reference number as keyed to the assessors map, owner, area of parcel, land value, building value and total assessment.

Article 14. On petition of Erick Sargent and 18 others: To see if the town will vote to raise and appropriate \$25,000 to reevaluate, for tax purposes, all property in the Town of Rye.

Article 15. On petition of Susan S. Clark and 15 others: To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) to be used to clear and prepare, this year, a plot of ground in the Recreation Area suitable for a baseball diamond and/or allied activities.

Article 16. On petition of George W. Steinhilber and 13 others: To see if the Town will vote to amend the present ordinance for the government of the Fire Dept. to read: Be it ordained by the voters of the Town of Rye in Town Meeting assembled that a department to be known as the Rye Fire Department is hereby created. It shall be governed by the Statutes of the State of New Hampshire and the recommendations of the New Hampshire Board of Underwriters and the National Fire Protection Association.

Article 17. On petition of Harold B. Tucker and 15 others: To see if the town will vote to accept the street at Acorn Acres, to be known as Acorn Avenue.

Article 18. On petition of Russell E. Phelan and 13 others: To see if the town will vote to accept the deed to the following roads: McLaughlin Drive, Foster Lane, and Maple Avenue, as shown of sub-division plan No. 5114F, File No. 80. A Revised Section of Myrica-by-the-Sea, recorded in Rockingham County Registry of Deeds. These roads to be used as public highways.

Article 19. At the request of Margaret T. Smith, to see if the Town will vote to discontinue the highway, if any, believed to have been called Ferry Road extending or leading from a Point on Pioneer Road near the Wright Farm barn Northeastly to its Northerly terminus on Wentworth Road at the Northeastly end of the Wentworth Fairways Golf Course.

Article 20. To see if the Town will vote to empower the Planning Board to review, and approve or disapprove site plans for the development of tracts for non-residential uses whether or not such development includes a subdivision or a re-subdivision of the site, and to adopt regulations therefor, in accordance with R.S.A. Chapter 36, section 19-a, as revised and amended.

Article 21. To see if the Town will vote to authorize the Selectmen to enter into negotiations with Lavinia Havey for the possible purchase of land owned by her located behind Washington Road, and to raise and appropriate the sum of \$1,000. for the purpose of obtaining the services of an appraiser and entering into an option agreement with her concerning the sale of said land. Said land consists of 7.7 acres and abuts land now owned by the Town of Rye and used for cemetery purposes and the Rye Recreation Area.

Article 22. To see if the Town will vote to authorize the Selectmen to enter into negotiations with the owners of land adjacent to the present town dump site, said land being known as the "Herne Pit" and the "Greene Pit", with the purpose of obtaining options to lease or purchase said pits for expansion of present dump facilities and further to raise and appropriate the sum of \$500 for the purpose of securing options or leases on said pits.

Article 23. To see if the Town will vote to authorize the Selectmen to set rates for the rental of the Town Hall to individuals and organizations, both resident and non-resident.

Article 24. On petition of Frank J. Tonis and 16 others: To see if the Town will vote to instruct the Selectmen to employ a full time Business Administrator who may or may not be a resident of Rye and who will be selected with special reference to his education, training, and experience to perform the general duties of his office which shall be, subject to the direction of the Selectmen and to the by-laws of the town, to coordinate and expedite the business affairs of the various Boards, Agencies, and Departments within the town government without superseding or impairing their respective authorities and responsibilities in such matters as, but not limited to, acting

as general paymaster for town employees, supervising general clerical help, keeping records and acting as custodian of records and documents, maintaining town buildings in good repair, helping in the preparation of specifications and purchasing supplies and equipment, acting as liaison between the town, the state, and the federal governments, among other things to inform the various Boards, Agents, and Departments of the Town what funds may be available from these and other sources, and to perform such other duties, consistent with his office, as may be required of him by vote of the Selectmen. To see further if the town will vote to increase the budget by \$9,000.00 for the purpose, and only for the purpose, of paying a salary to this Business Manager for the balance of 1970 if such sum is necessary. And further to see if the town will vote to decrease the appropriation for the purpose of paying the Selectmen by \$1,200.00 so that on June 1, 1970, the pay of Selectmen will be reduced from \$1,400.00 per annum rate to an average of \$600.00 per annum rate.

Article 25. To see if the Town will vote to increase the fines that may be levied for violation of any Town Ordinances from \$10.00 to \$50.00 as provided in RSA 31:39.

Article 26. (a) To see if the Town will vote to accept the budget submitted by the Budget Committee and pass any vote in relation thereto, and

(b) To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

Article 27. To transact any other business that may legally come before this meeting.

Polls will not close before Eight O'clock P.M. March 10, 1970.

Business meeting at Seven O'clock P.M. at the Rye Junior High School Auditorium March 14, 1970.

Given under our hand and seal this twenty-first day of February in the year of our Lord Nineteen Hundred and Seventy.

Selectmen's Report

To the Inhabitants of Rye, New Hampshire:

The past year found the Selectmen in the new office. The Selectmen and Tax Collector moved into the new office in August. We are sure the arrangement has been more than satisfactory for carrying on the Town's business, leaving the front office free for Police Department business only.

The beaches still are a problem as far as keeping them clean. We are asking for more money this year in the budget, hoping to be able to start earlier in the season to clean the areas before the season starts. Training people to make use of the containers to dispose of rubbish is almost an impossibility.

We would like to thank the members of the Little League and their Supervisors who did such a tremendous job cleaning the beach one Saturday. It was a job "well done". The Boy Scouts also are to be commended on their "clean up work" done at the Recreation Area.

The Planning Board engaged the Hans Klunder Associates to make a study of the needs of the Town authorized by the amended Article 17 of the 1969 Warrant.

In this study, one of the recommendations was that the Town should purchase land centrally located to erect facilities for general governmental purposes which would include municipal offices, police department and a highway department garage. An article will appear in the Warrant for the 1970 Town Meeting to authorize the Selectmen to negotiate for a tract of land off Washington Road for this purpose and report to the 1971 Town Meeting. Your Board of Selectmen requests the voters to take favorable action on this article to protect the future needs of the Town.

The Rye Ambulance Corps purchased a new Cadillac ambulance which will be delivered sometime after the first of the year. We know everyone joins us in saying a

big "thank you" for the excellent service this volunteer group provides.

The Memorial Day observance, as usual, was very befitting for the occasion.

We wish to thank the Rye Fire Department Auxiliary for the meals served on our election days, we appreciate their efforts and the excellent menus.

On March 27th the Town lost a former Town Officer, Miss Mildred Rand, after an extended illness. Miss Rand was Trustee of Trust Funds for 12 years and treasurer 8 years retiring in 1965.

In March the new pumper was delivered to the Fire Department and in December the new tank truck was put in service.

Respectfully submitted,

RAELENE L. WHITE,
Town Clerk

Highway Agent's Report

To the Citizens of Rye:

When the demands of the tax payers on the Highway Department increase, the cost of maintenance must increase to cover these demands. This department is no different than any other department with one exception—the other departments have been building under good building practices for years. Their buildings are planned by engineering firms, are built by contractors and supervised by inspectors. Can anyone who has spent his life in this town tell me when any road now under town maintenance was built under these conditions? A road designed by an engineer, built by a contractor who removed all loam, subsoil and other materials not suitable for a road foundation. You wouldn't expect a school to stand up if its foundation was built on the original loam. Why do you expect a highway to do any better? Your public buildings support the weight and traffic of a small part of the people of your town, your highways have to support the weight of all the people and their cars. Your roads must take the weight of thousands of cars and tourists, the weight of all heavy trucks weighing anywhere from one to thirty tons or more. Yet, you want your roads table top smooth.

I attended a meeting wherein they discussed sewage and proposed plans. I asked the speaker, who represented an engineering firm, what provisions were being made for drainage of surface water and was told to never mention it because it was too expensive. Under these conditions what do the people of this town think I can do, where de we run this water unless you provide a place to put it?

This year a great deal has been said about leveling some of the roads. It should be remembered that this does not leave a smooth surface but only levels off some of the low spots. It's the same as placing a patch on top of a hard surface. The edges will be higher than the original road and will cause a slight bump going on and off. The cause for the road being out of shape is still there and in time the same condition will exist. At best it is a temporary repair.

This coming year we will be moving into a new type of rubbish disposal in Rye. This is known as complete cover land fill where all refuse will have to be compacted and covered at the end of each day. It will mean the obtaining of a heavier tractor to spread and pack refuse, a loader and truck to haul in the cover and two men to man them. There will have to be new rules and regulations covering the dump and no one will be permitted in the dump after closing hours. This type of dump operation is going to be much more expensive to run but it has been set up by your Board of Adjustment and the State Board of Health.

Fire Chief's Report

I would like to thank everyone who has been so helpful since I was appointed Acting Chief and Chief of the department.

The new Maxam Fire Truck was delivered in March of this year. This truck is the first truck to respond on all calls unless known to be grass or woods.

Open house was held April 13, 1969 so the Townspeople could view the new truck and also the Scott Air Packs which the Women's Auxiliary purchased for the new truck.

Frank Wilson, Jr. was appointed permanent Fireman in May of this year.

Charlie Gordon "Nite" was held at the South Wind dining room June 4th. 1969. Charlie retired as chief of the department March 31st, 1969. A good time was had by all.

Four men attended the Fire School held at the Meadowood training area in Fitzwilliam, N.H. sponsored by the Fire Chief's Club of N. H. and the N. H. Board of Education.

The Call Fire Department purchased 10 Fire Coats, 10 Fire Hats and 10 pr. of Fire Boots at a cost of \$827.93 this money was raised by this group. This did not come from TAX MONIES.

This Department answered calls this year as follows: Two road side fires, four rubbish, one roof, one house trailer fires, four overheated electrical motor & appliances, four car fires, six calls to checkout smoke, five flooded oil burners, six buildings fires, four chimney, eight grass, six brush fires, one call for each of the following: T.V., fryolator, building struck by lightning, wash gas and oil off the roads, check out smoke at the brush dump, check out strong small of oil, check out smoke at the rubbish dump, fire caused by possible fire crackers, we assisted the ambulance corps, with four calls.

We responded seven times to mutual aid calls for help; three calls to Portsmouth, four calls to Greenland, and one call each to New Castle, and North Hampton. We received assistance from Portsmouth and North Hampton one call each.

The Fire Department answers the phone and radio for the Police and Ambulance Corps.

The Auxiliary has card parties every other Saturday night and the Call Dept. has them the other Saturday nights.

The Dept. issued 428 burning permits and 289 Beach Fires permits.

I would like to remind you to feel free to call us when you have any doubt in your mind. We would rather help you with a small problem than wait until it is a big problem.

Respectfully submitted,
RICHARD J. EATON,
Fire Chief

Forest Fire Warden's Report

Another year has passed with a fine record for our Forest Fire Dept. Thanks to the residents of Rye for making this possible. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in

an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

Report of the Fire Warden

The year 1969 has been a very active one for the Board of Fire Wards. During the latter part of March the Town of Rye received the new Ford-Maxam fire truck from the builders. It is a very modern piece of fire equipment with a capacity of pumping 750 gals. per minute. This is the fire truck that the Fire Chief, Mr. Charles Gordon, the Selectmen and the Fire Wards as well as the Firemen had planned for over a period of five years and that the Town had been setting aside in a capital reserve fund a sum of \$5,000 each year for four years to pay for it.

At about this same time the Board of Fire Wards received the resignation of the Fire Chief Charles Gordon to become effective on April 1st. This resignation was finally accepted with deep regrets by the Board of Fire Wards. The Board then appointed Mr. Richard Eaton as Acting Chief and after serving a probation period of six months he was appointed Fire Chief of the Rye Fire Department by the Fire Wards.

In accordance with the vote at the 1969 Town Meeting appropriating funds for a new truck chassis and cab to haul the existing water tank on, the Selectmen advertised for bids and the contract was awarded to the King Chevrolet Co. they being the low bidder. After a long delay the truck was finally delivered in August. Then it was discovered that 1969 trucks are not designed so a front end pump could be installed on them. After consulting with several automotive and fire engineers we obtained the services of the Maxam Fire Truck engineering dept. and they designed and installed a mid-ship pump and remodeled the tank so that we now have another very fine piece of equipment in the Rye Fire Department. The tank was removed from the old truck and installed on the new truck chassis by the Rye Highway Department under the direction of Mr. Charles Gordon with the assistance of Fire Chief Richard Eaton. "Many thanks Charlie and Fritzie".

The Fire Wards were also authorized to hire an additional full time fireman at the 1969 Town Meeting. The position was advertized and four applications were received. The Fire Wards held interviews with the applicants and Mr. Frank Wilson, Jr. was chosen to fill the position. We now have four full time firemen serving the Town of Rye who work a 44 hour week. They also fill in for each other during vacations or sick leave at no increase in pay.

The Fire Wards have already prepared and submitted to the Selectmen and the Budget Committee a budget to operate the Fire Dept. for 1970. It includes salaries as well as the equipment we consider necessary to maintain our Dept. and to provide the "tools" for our firemen to protect YOU with. The Board of Fire Wards hope you will support it.

Respectfully submitted,

E. LEROY GREENE,
WILLIAM R. JENNESS,
RALPH F. HAMMOND,
Board of Fire Wards

Municipal Court

The court statistics for 1969 indicate that 200 misdemeanors were filed and processed, while three felonies were bound over to the Rockingham County Grand Jury.

The majority of the cases disposed were for motor vehicle offenses occurring within the jurisdiction of the court. There were also a small number of violations against the town ordinances and a number of Fish and Game violations brought before the court by the N. H. Fish and Game Department.

A survey of the court's records over the past ten years

points out a very interesting fact; that the more serious crimes, felonies, have remained relatively the same in number. With the increase of criminal activity on a national level and within the neighboring communities, it seems significant that Rye has maintained a low level of crimes against the person and property. This would appear to reflect the industrious efforts and awareness of the Rye Police Department.

The several cases brought to court involving fishing and trapping violations off the coastal waters of Rye were dealt with by the court as prescribed by law with mandatory fines. This type of violation is becoming more difficult to detect, and a constant vigil is being maintained by the personnel of the Fish and Game Department.

Generally, the business of the court has maintained the same level over the past several years and is in conformance with the standard procedures established by the Administrative Committee for the State of New Hampshire.

The court expresses its appreciation to the Selectmen, and all other local and state agencies which have aided the court in discharging its duties.

Respectfully submitted,

CHRISTOPHER S. CHRISTO,
Clerk

Rye Police Department

To The Citizens of Rye:

The past year was very busy for this department. As the Town grows we are called on to handle more and more complaints and requests for all types of police services.

We had capacity crowds at our beaches this past summer with parking problems, rubbish, lost children, beer parties and etc. Our lifeguards were kept busy and did a good job especially our first female lifeguard who did a remarkable job at busy Jenness Beach.

The narcotic problem is still growing. In a raid, this past year, we confiscated the biggest amount of narcotics and controlled drugs that has ever been picked up in this state.

I would like again to ask residents, both summer and year round, to display their house numbers. This would help to locate any given house in an emergency.

Thanks again to everyone who has helped this department during this past year.

The following is a list of some of the offenses and miscellaneous items that were handled by this department during the past year:

Planning Board

The Planning Board report of 1969 reflected optimism and confidence that you would accept the new Zoning Ordinance and Building Code Ordinance at the 1969 March election as being vitally needed and in the best interests of the community as a whole. You did accept them and I can now report that after a full year of operation the Ordinances are doing what they were designed to do with no solid evidence being presented on anyone's part to the contrary. The Board is especially pleased with your apparent confidence in and satisfaction with your new Ordinances.

Prompt action was taken on your mandate at the last town meeting to study aspects of town activity such as schools, roads and ways, town administration, fire, police and road departments in areas of personnel, equipment and facilities. Also undertaken were further studies on open space, health ordinance, 5% tax discount, necessity of precincts, town-wide town water system and waste disposal (solid and sewerage), etc.

Extensive progress was made and reports of facts and findings and recommendations were submitted to the School Board and Board of Selectmen for their consideration and action. Details of completed studies and progress reports were given by me and the study committee chairmen to interested citizens at monthly meetings sponsored by the Rye Civic League. The Rye community owes a debt of gratitude to all those who led and worked on those subcommittees. They have served you well and agree to continue as long as they are needed. We hope to make the subcommittees permanent so the community can benefit from their collective expertise.

Also over the past year your Subdivision Ordinance has been completely revised and updated. It is expected that the new regulation will be effective on or before the end of February 1970. Along with your new Zoning and Building Code Ordinances this new Subdivision Ordin-

ance should serve you well in providing healthy and desirable growth patterns for some years to come.

With every succeeding year Planning Board business increases in both volume and pace. It is practically mandatory to meet every week year-round to keep the amount of unfinished business within manageable proportions. It may soon be necessary for legal reasons to hire a minor amount of clerical assistance to take and transcribe minutes of meetings on subdivision development requests.

As the end of my five year term of appointment rapidly approaches, I am reminded that this is my last Planning Board Annual Report to you. It has been a pleasure and privilege to serve you. Although leaving naturally brings some measure of regret, I am happy to announce that the membership has already elected Mr. Charles Tallman as Chairman to serve for the ensuing year. For that reason alone I leave with every confidence in the Board's future.

LEON H. VALLEY, *Chairman*
Rye Planning Board

Report of the Board of Adjustment

Adoption of a new zoning ordinance and building code by the Townspeople in 1969 and more vigorous enforcement of the ordinances by the town officials responsible for their administration, has increased the activity of the zoning Board of Adjustment.

The Board has processed 23 applications, 14 were approved and 9 were disapproved.

Attendance at the public hearings by interested parties, citizens of the town and town officials has increased. This is encouraging as it shows an interest in the growth of the town, gives the Board the views of the people and provides the public with first hand information relative

to each case the Board's decision on each case.

New Board members appointed are Philip C. Hoyt, William E. Ashley, and Nancy L. Rand. Mr. Eric Ebbe-son continues to be a very active Board member.

Interest in the Boards activity displayed by the Civic League is heartening.

The Board of Adjustment would like to take this opportunity to thank the Selectmen, Planning Board and Building Inspector for their cooperation in the administration of the ordinances.

Respectfully submitted:

ERNEST E. TUCKER,
Chairman

Report of the Building Inspector

On December 1, 1968 the Selectmen appointed me as Deputy Bldg. Inspector because of the expected long absence of the Bldg. Inspector, Mrs. Kenneth Stanley, and I have continued to serve in that capacity ever since. Mr. Stanley was away until the 2nd week of April and he carried on part of the Building Inspector's work until August 5th.

During this period there were Bldg. Permits issued for 28 new houses, 52 for additions, remodelings or new garages etc.

I personally made 18 inspections of new septic tanks and filter field installations, of which several had to be visited several times because of the failure of the contractor to install properly the first time.

I also investigated 12 zoning ordinance violation complaints and issued 5 legal notices to cease the violation, one of these had to be taken to court for settlement, the others were taken care of upon verbal discussion with the

owners of the property or that I found no violation existed.

In addition I referred 6 applicants for permits to the Board of Adjustment and 3 jointly to the Historic District Commission and the Board of Adjustment for their consideration.

I have held office hours every Wednesday evening from 7:30 to 9:30 P.M., except while on a 2 weeks vacation in September, also by appointment many times when the applicant could not get there on a Wednesday evening.

Respectfully submitted,

RALPH F. HAMMOND,
Deputy Bldg. Inspector

Historic District Commission

The Rye Historic Commission met four times during 1969 and acted upon applications that were submitted. Hopefully the District will be improved soon through renovation of three properties that have been given approval.

The Commission is interested in recognizing the older houses in the area and would be pleased to hear from any individuals or group with an interest in or knowledge of the historic points of interest.

Report of Library Trustees

During the past year there has been no change in the hours which the Rye Library is open to the public. The decision in July 1968 to open the library twenty-six hours

a week has proven to be a very satisfactory arrangement throughout the year. The weekly hours are from 2 to 8 P.M. on Monday, Wednesday, and Friday, and from 2 to 6 P.M. on Tuesday and Thursday.

Our total circulation in 1969 was 28,499 books. Of these 8,786 were juvenile, 7,144 adult non-fiction, and 12,569 adult fiction. Included were 231 books borrowed through the interlibrary loan service of the State Library in answer to specific requests for books not in our own library. A total of 684 new books were added to the shelves, of which 170 were in the children's category. The Bookmobile loaned us 507 books during 1969. In addition to books, 627 records were also circulated.

There has been increased interest in sight saving books and a good selection of fiction, non-fiction and juvenile large print books are available for loan. Others may be borrowed from the Bookmobile. There is a growing demand for recordings, of which we have over two hundred. Our patrons are urged to borrow and enjoy them.

Special events during 1969 included a well-attended Puppet Show during National Library Week. This was put on by the Rye Puppeteers and sponsored by the Friends of the Library. During the summer months there was a reading program for children. At its conclusion a party and film program was held. A group of Brownie Girl Scouts visited the library, and a 4-H Group, during 4-H Week, had a fine exhibit of home-made articles, previously exhibited at the Deerfield Fair. During National Library Week there was an exhibit of posters made by the art students of a Rye school. Prizes were given by the library.

A book meeting was held by the Southeast District in the Rye Library. The increased space made possible by the recent addition to the original library building is greatly appreciated by the staff and the library patrons.

Under the leadership of Mrs. Harry McLaren, the

Friends of the Rye Library continues to be a very helpful organization. Their activities include book repairing (under the supervision of Mrs. Charles V. Tallman), food sales, card party, lectures by Mr. Richard Sandborn, and Mr. and Mrs. Edward Rarer, and book reviews by Mrs. Roy Wyatt. A gift of sixty chairs from the Friends is much appreciated. A bookplate of unusual and original design by Mrs. Raymond is on sale by the Friends at the charging desk.

The Conference Room, in the basement, has a newly painted floor, and opaque window shades have been installed. The room is supplied with 100 chairs, a peg board, a chalk board, two 30 x 72 inch tables, and a lectern. A coat rack has been ordered. It is hoped that audio-visual equipment can be added during the coming year. During the past year the Conference Room has become increasingly popular for small group meetings, such as the Friends of the Rye Library, the Driftwood Garden Club, the Extension Group, the Civic League, and the Rye Beach Arts and Crafts Group. Attached to this Report is a copy of the Trustees Policy with reference to the use of the Conference Room.

We are indebted to many organizations and individuals who have contributed books, magazines, and money to the Rye Library. A fund has been provided by Mrs. Francis J. Kolb for the purchase of juvenile books in memory of Dr. Katz. Mr. and Mrs. Joseph O. Varrell and Mr. and Mrs. William M. Varrell gave a book on antique glass in memory of Mrs. Theo Chick. Other gifts comprised (1) a collection of children's books from Edwin Carpenter, and (2) a large number of books given by the town from the estate of Ernest Brown. Contributions of money were also received from the Rye Tuesday Club, Mrs. Hamblett, and Mr. Tom Binmore.

The Library Trustees announce with regret the resignation of Mrs. Helen H. Trefethen as our librarian on December 31, 1969. Since 1954 Mrs. Trefethen has served the library and the community with distinction.

Succeeding Mrs. Trefethen, Mrs. Margaret W. Leach has been appointed librarian. Mrs. Leach was formerly assistant librarian, which post will be held by Mrs. Lorraine H. Cameron. As a part-time helper, Mrs. Beatrice Batchelder has been employed. The services of Mr. Robert C. Goodsell as janitor are much appreciated.

LIBRARY POLICY CONCERNING THE USE OF CONFERENCE ROOM FACILITIES

1. The Library Trustees believe that all library facilities should be available for any cultural and/or educational use to the fullest extent possible and practical, consistent with the proper protection of the Town's interests.

2. The Conference Room facilities in the basement are available to town group and organization meetings for cultural and educational purposes, providing no admission fee is charged.

3. These facilities are available to approved groups, subject to the payment of a custodial fee, and with the understanding that the facilities shall be left in proper condition.

4. Arrangements for the use of the Conference Room, should be made with the librarian and are subject to approval by the Library Trustees.

5. Facilities include the conference room, hallway and rest rooms, with access through the side (west) entrance.

6. Refreshments may be served only if the group bring its own equipment and food.

The Rye Ambulance Corps has completed eight years of service to the Town.

Trained men and women serve the Town 24 hours a day and 7 days a week.

In the past eight years we have completed 1008 trips. In 1969 we made 171 trips to the following hospitals:

Portsmouth Hospital	122
Exeter Hospital	13
Portsmouth Naval Hospital—Kittery	6
State Hospital, Concord	2
Deaconess Hospital, Boston	4

Total — 171

We had a total of 611 subscriptions for the year of 1969. The subscription rate still remains \$3.00 per year. All members hold the Advanced First Aid Card, some are working on the Instructors Card. Meetings are held every Wednesday night and the public is invited.

Through the hearty cooperation we received from the Townspeople during our Ambulance Drive, funds were raised to enable us to procure a new 1970 Cadillac Am-

bulance.

The members of the Corps are proud of their part in the community and would like to see more Rye residents this year.

Once again we say "Thank you" to the Fire Dept. who receive all calls and dispatch the Ambulance.

At this time I would like to thank the members of the Corps for their cooperation during my year as President.

Rye Recreation Commission

This is the third year of an organized summer program at the Recreation Area. It was an eight-week program. The total number of children registered this year was 177, including many younger children.

The addition of an open shelter onto the present building was completed. It was used not only on rainy days, but each day of the program. The shelter building was used for the arts and crafts program and storage. Organizations have used the building for reunions and family picnics.

We were fortunate to have Mr. Wayne Elliot as program director again this year. Also again as his assistants, were Mrs. Susan Dunbar, arts and crafts, and Miss Nancy May, games and athletics. Miss Judith Locke was hired to be a general assistant.

The summer program included basketball, badminton, bocce, horse shoes, baseball, relay races, and other competitive sports. Award plaques were given at the end

of the program for these activities. Arts and crafts and a nature study, with special weekly events, were held.

Mr. Elliot and his three assistants attended a day long recreation workshop in Manchester sponsored by the State of New Hampshire, and planned for state-wide recreational personnel.

The well was lowered to provide an adequate amount of pure, state tested water. A limited telephone was installed in case of an emergency to one of the children.

We appreciate the contribution of a refrigerator for lunches by the Rye Junior Woman's Club, and for their continual interest. Also, the Rye Tuesday Club for their \$10 donation.

Under the able supervision of our Highway Agent, Charles Gordon, more underbrush has been cleared between the picnic area and the marsh. When weather permits, the Highway Department will install two drainage pipes under the perimeter road where it has been washed out due to heavy rains. The grade for a combination bocce and croquet grass court has been laid down at one end of the activity field. This will be loamed and seeded in the spring.

This summer, the Girl Scouts used the area for their activities. The Boy Scouts have used their area all summer and once a month during the winter.

It has been a successful year for the Recreation Area, and many thanks for your interest and support.

Rye Conservation Commission

Report for 1969

Our "Tote Toad" project is a continuing one. At our June meeting George Steinhilber, chairman of this project, outlined the plans and provided explanation to the landowners present. Mr. Harold Leland of Exeter USDA SVC. was obtained by Tom Binmore to present the potentialities of tote road management. Stanley Knowles, Federal Forester, spoke on the technical aspects. Beautiful slides illustrated the spoken word. Under Steinhilber's able management seven signs to access areas have been erected to date for landowners. Other landowners are cordially invited to take advantage of this service.

Mr. Norman Currier, before leaving the commission, provided us with excellent maps of Rye marshland areas, with owners names indicated thereon.

Mrs. Jean Low provided painstaking and thorough clerical assistance to us while she was on the commission.

Norman Beane and Tom Binmore have kept us up to date with State and Federal conservation legislation.

The Rye Conservation Commission has been asked to take part in recommendations with regard to the proposed re-activation of the State Park at Odiorne's Point. Norman Beane and Louise Tallman attended the first meeting on August 4th. Mrs. Annette Cottrell of Hillsboro (member of the Governor's Committee on Open Space) is coordinating a study of the natural resources of this park and will submit plans and recommendations to Russell Tobey, State Park Commissioner. Geology, Botany, Ornithology, Marine Biology and History of the area delineates the specialties being researched. Louise Tallman has been, and is in fact, an invaluable member of this group from the beginning and has provided much historical research and other aids to Mrs. Cottrell. The commission is proud to be so ably represented in this endeavor.

We have had many interested and helpful visitors attend our meetings. Special thanks to the Civic League and Planning Board for their help and cooperation.

And so, in various ways our work goes on. For this continuance we recommend that the sum of \$500.00 be included in the Town Budget for our use.

Report of Cemetery Trustees

To the Citizens of Rye:

This past year we have made more progress in the development of the new cemetery section. From what was a wood lot, we have from five to six acres that can be mowed with a lawn mower. We feel that the money the Town provided has been wisely spent. This year we are asking for another \$1,000.00 to put this or part of this area into lots that may be sold.

We feel, at this time, that the people of Rye should be brought up to date on the financial status of the Cemetery Trustees. As such, they receive no pay at all for being responsible for the management of the Cemetery. Mr. Caswell is on a salary as caretaker and recorder of the deeds given. Mr. Gordon is paid \$50.00 per year for taking care of the payroll and all other finances of the Cemetery. Mr. Patrick receives nothing for his services as a member of the board.

Report of Trustees of Trust Funds

During 1969 a total income of \$1,879.13 was turned over to the Library Trustees for the purchase of books. This amount represents the income realized from the eighteen funds left to the town of Rye with the provision that the income be used for the purchase of books. In the future it might prove worthwhile to establish a general fund to which small contributions could be made. These would be left to accumulate, and only the income would be used for the library.

There were 28 new cemetery perpetual care funds established. All but three of these funds represented new lots sold with a certain portion going for the cost of the lot and a balance remaining as a perpetual care fund.

Under miscellaneous funds, \$20,000 principal was returned to the town general fund together with \$1,000

earned income. This amount represented the fund established for the purchase of a fire truck. To us this shows good management by town officials, since the needed funds were accumulated over several years. Thus no undue strain was placed on the taxpayer. During the existence of this particular fund an additional \$1,481.82 was earned in the form of interest.

Our major effort during the coming year will be to improve the bookkeeping procedures of the cemetery funds. We will seek legal counsel from the town's attorney concerning the consolidation of future funds, so that many unnecessary hours will be eliminated from bookkeeping procedures.

Respectfully submitted,
 MELVIN R. LOW,
 JOHN L. PARSONS
 RALPH W. EATON,

Article 19. To see if the Town will vote to raise and appropriate the sum of sixteen thousand (\$16,000.00) dollars for the purpose of renovating the ground floor of the existing Town Hall building to provide office space for certain town offices and a Selectmen's office.

Article 20. To see if the Town will vote to adopt the following by-law relative to the licensing of mechanical devices in the town:

Sec. 1. Definitions

Mechanical Device. The term Mechanical device shall mean any machine, which, upon the insertion of a coin, slug, token, plate, or disc, may be operated by the public generally for use as a game, entertainment, or amusement, whether or not registering a score, but shall not include juke boxes. It shall include such devices as marble machines, pinball machines, skill ball, mechanical grab machines, and all games, operations, or transactions similar thereto under whatever name they may be indicated.

Person, Firm, Corporation, Association: The terms person, firm, corporation, or association as used herein shall include the following: Any person, firm, corporation, or association in whose place of business any such machine is placed for use by the public; and the person, firm, corporation or association having control over such machine.

Sec. 2. Gambling Devices Not Permitted: Nothing in this Ordinance shall in any way be construed to authorize, license, or permit any gambling devices whatsoever, or any mechanism that has been judicially determined to be gambling device, or in any way contrary to law.

Sec. 3. License Required: Any person, firm, corporation or association displaying for public patronage any mechanical amusement device as herein defined by Sec. 1 shall be required to obtain a license. Application for such license shall be made to the Selectmen upon a form to be supplied by the Selectmen for that purpose. No license shall be issued to any applicant unless he shall be twenty-one (21) years of age and a citizen of the United States.

Sec. 4. Inspection: The Chief of Police shall investigate the location wherein it is proposed to operate such machine, ascertain if the applicant is a person of good moral character, and report thereon to the Selectmen prior to the issuance of the license. No license shall be issued by the Selectmen to any applicant until after the Chief of

Police has reported his approval or disapproval to the Selectmen.

Sec. 5. License Fees: Every applicant before being granted a license shall pay the following license fee for the privilege of operation or maintaining for operation a mechanical amusement device as defined in Sec. 1 herein. \$30.00 per machine. Each license shall expire midnight, December 31st, of the year in which said license was issued.

Sec. 6. Display of License:

A) The license or licenses herein provided for shall be posted permanently and conspicuously at the location of the machine in the premises wherein the device is to be operated or maintained to be operated.

B) Such license may be transferred from one machine or device to another similar machine, in the same place of business upon application to the Selectmen to such effect and the giving of a description and the serial number of the new machine or device. Not more than one machine shall be operated under one license and the applicant or licensee shall be required to secure a license for each and every machine displayed or operated by him. A license shall not be transferrable from person to person.

Sec. 7. Prohibitions and Restrictions: No person, firm, corporation or association holding a license under this by-law shall permit persons under eighteen (18) years of age to play or operate any mechanical amusement device as defined in Sec. 1 of this Ordinance.

Sec. 8. Revocation of License: Every license issued under this Ordinance is subject to the right, which is hereby expressly reserved, to revoke the same should the licensee, directly or indirectly, permit the operation of any mechanical amusement device contrary to the provisions of this by-law or the law of the State of New Hampshire. Said license may be revoked by the Selectmen upon recommendation of the Chief of Police and after written notice to the licensee, which notice shall specify the ordinance or law violations with which the licensee is charged, if after a hearing the licensee is found to be guilty of such violations. Ten days notice of the hearing shall be given the licensee. At such hearing the licensee and his attorney may present and submit evidence and witnesses in his defense.

Sec. 9. Seizure and Destruction of Machine: If the Chief of Police shall have reason to believe any mechanical amusement device is used as a gambling device, such machine may be seized by the police and impounded and if upon trial of the exhibitor for allowing it to be used as a gambling device, said exhibitor is found guilty, such machine shall be destroyed by the police.

Sec. 10. Penalty: Any persons, firm, corporation violating

any of the provisions of this ordinance, in addition to the revocation of his or its license shall be liable to a fine of ten (\$10.00) dollars for each offense.

Article 21. On petition of Gerald F. Giles, Attorney for Channing H. Green and Ruth E. Green and 10 others: To see if the Town will vote to accept the following street: A certain street running westerly from Brackett Road to land now or formerly of Millie E. Odiorne, a distance of Four Hundred Ninety (490) feet, more or less.

Article 22. On petition of Norman E. Lord and 11 others: To see if the Town will vote to accept the following streets: Oral Lane, so called, running Easterly from Sagamore Avenue one hundred eighty (180) feet, more or less, to Foyes Road, so called; Foyes Road, so called, running Southeasterly from Oral Lane three hundred fifty (350) feet, more or less, to Frontier Street, so called, and Frontier Street, so called, running Easterly from Foyes Road four hundred eighty (480) feet, more or less, to land now or formerly of Peter Rabbit Nursery School, Inc.

Article 23. (a) To see if the Town will vote to accept the budget submitted by the Budget Committee and pass any vote in relation thereto, and

(b) To raise and appropriate such sums of money as may be necessary to defray Town charges for the ensuing year.

Article 24. To transact any other business that may legally come before this meeting.

Polls will not close before Six O'clock P.M. March 11, 1969.

Business meeting at Seven O'clock P. M. at the Rye Junior High School Auditorium March 15, 1969.

Given under our hand and seal this seventeenth day of February in the year of our Lord Nineteen Hundred and Sixty Nine.
